1. RESPONSE TO PRESS SPECULATION

Cox ABG Group, S.A. (“**Coxgroup**” or the “**Company**”, and together with its subsidiaries, the “**Group**”) continues to note the press speculation regarding the Company.

The Board of Coxgroup continuously monitors the Group’s capital structure to ensure it has the flexibility to react to prevailing market conditions and to ensure the Group is well positioned strategically and financially to capitalize on market opportunities as they arise.

As such, the Board continues to review a range of financing options available to the Group, whether in the form of lending arrangements with the Group’s preferred financial institutions or capital markets transactions (in the form of debt and/or equity offerings (including, among others, an initial public offering)), although no final decision has been taken yet in this regard.

There can be no certainty at this stage that any financing, including financing through capital markets transactions (in the form of debt and/or equity offerings (including, among others, an initial public offering)), will occur. A further announcement will be made if and when appropriate.

This announcement contains inside information for the purposes of Article 7 of Regulation (EU) No 596/2014. The person responsible for arranging the release of this announcement on behalf of Coxgroup is the Executive Chairman and Chairman of the Board of Directors, Mr. Enrique Riquelme.
